

# WATERFALL LT-200

COMMERCIAL LIGHT TRUCK

M+S

- Pattern design and tread compound enhanced for seasonal conditions
- Ribbed shoulder design provides stability and reduces irregular wear
- Circumferential traction ribs and stiff solid shoulders delivers great biting grip
- Stronger sidewalls ensure a higher maximum load capacity

Size	LR/PR	Load Index	Speed Rating	Sidewall	Tread Depth (32nds)	Measured Rim Width	Max Load Single	Item Code
